PAINWeekEnd conferences are presented as 1-day and 2-day regional meetings, comprised of certified and noncertified activities that address a range of clinical and practice management areas of interest. For noncertified topics, Product, Disease State, and Medical Information (PDM) sessions are available for commercial sponsorship. Conference attendees are frontline practitioners inclusive of physicians, nurses, nurse practitioners, physician assistants, and pharmacists.

PAINWeekEnd events are promoted to frontline practitioners in each geographical area. In addition to our practitioner lists, we can utilize your target list and promote specifically to your highest value targets, helping to drive their attendance at your program being presented at PAINWeekEnd regional conferences.

PDM Fees	Slot Fees (Saturday)	Slot Fees (Sunday)	Program Duration	Approximate Reach
Breakfast	\$50,000	\$40,000	50 minutes	125-150
