Due to COVID-19...

Current guidelines suggest there may be no live conferences taking place until late 2021. Therefore, PAINWeek is launching a new CE/CME webinar series, PAINWeek Premiere. Every Wednesday and Saturday* there will be a 3-hour scheduled certified activity with a 45-minute time slot allocated for sponsored and/or grant supported programs.

*Webinars will not be scheduled on Wednesdays/Saturdays preceeding or following national holidays (see calendar on next page).

Sample Agenda

12:00p – 1:00p

On the Frontlines:

How Advanced Practice Providers Are Managing Pain Amidst COVID-19

1:00p – 1:45p

Sponsored/Supported Program

1:45p – 2:45p

Everybody's Greasing Up, But Should You Rub It In?

A Review of Topical Analgesics and Available Evidence in Clinical Trials

2:45p – 3:45p

Interventional Pain Management: Opioid-Sparing Technologies

3:45p – 4:00p
