OVER 100+ CE/CME CREDITS OFFERED

CONFERENCE PREVIEW

THE COSMOPOLITAN OF LAS VEGAS
SEPTEMBER 7-11, TWENTY21!

**EDUCATION IS THE BEST
ANALGESIC!**

PainWeek®

Celebrating our 15th year, **PAINWeek** remains the largest US pain conference and the favorite destination for frontline practitioners to enhance their competence in pain management. As always, clinicians can immerse themselves in 5 days of continuing medical education across multiple therapeutic areas, taught by over 70 pain management thought leaders. Join us for a multidisciplinary agenda, inclusive of satellite events, exhibits, and more! Additional credit hours will be available via **PAINWeek On Demand**, beginning November 2021.

BONUS Tracks! ←

This year we are presenting a **NEW BRAINWeek** track on Friday and Saturday focused on headache and selected CNS disorders.

Follow us on:    

 Please note that the first certified-for-credit course begins on Tuesday, September 7, at approximately 7:30a. The last certified-for-credit course concludes on Saturday, September 11, at 3:30p.
