## PAINWeek Live Virtual Conference 2020

September 11–13

This activity is provided by Global Education Group.  
This activity is partially supported by an educational grant from Abbott Laboratories.

### Target Audience

The educational design of this activity addresses the needs of physicians, physician assistants, nurse practitioners, nurses, pharmacists, psychologists, and social workers involved in the treatment of patients with pain.

### Purpose Statement

PAINWeek® provides practical knowledge and tools for busy pain management practitioners to utilize in their daily practice.

### Educational Need

"Chronic pain is on the doorstep of every healthcare provider on Main Street. It doesn't matter whether you're in Kentucky or Iowa or Ohio or California or New York, it is everywhere. To me someone who says to a patient 'I don't treat chronic pain because I'm not a pain management physician' is really saying there are 7,000 board certified pain clinicians in the United States. That's a fact. More or less 7,000 vs the number of people in the United States who suffer with chronic pain which, according to the Institute of Medicine, is somewhere around a 100 million people. If you do the math, there's not enough healthcare providers in that 7,000 to see patients 24 hours a day, 7 days a week, 365 days a year."

—Kevin L. Zacharoff MD, FACIP, FACPE, FAAP

72 hours of content will be presented!

### Learning Objectives

After attending PAINWeek® 2020, learners should be better able to:

- Describe the protocols for acute and chronic pain assessment
- Interpret basic diagnostic procedures used to identify pain disorders
- Describe mechanisms by which regular physical activity and exercise decrease pain
- Identify the specific pain pathways acted upon by certain pharmacotherapies
- Calculate opioid conversions
- Cite current medical/legal issues impacting clinical pain management
- Assess strategies for treating pain and chemical dependency
- Identify the top prescription drugs of abuse
- Recognize a patient-centered approach to chronic pain management
- Apply adult learning theories to patient, provider, and caregiver communications

## Physician Accreditation Statement

Global Education Group is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

## Physician Credit Designation

Global Education Group designates this live activity for a maximum of 24.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## ABIM MOC Recognition Statement

 Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 24.0 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

## Nursing Continuing Education

Global Education Group is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity for 24.0 contact hours is provided by Global Education Group. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

## Pharmacist Continuing Education

### Accreditation Statement

 Global Education Group is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

### Credit Designation

Global Education Group designates this continuing education activity for 24.0 contact hour(s) (2.4 CEUs) of the Accreditation Council for Pharmacy Education. Universal Activity Numbers are available at [pain.sh/pwlv-schedule](https://pain.sh/pwlv-schedule).

*This is a knowledge-based activity.*

## Psychology Accreditation Statement

Global Education Group (Global) is approved by the American Psychological Association (APA) to sponsor continuing education for psychologists. Global maintains responsibility for this program and its content.

This activity has been approved for a maximum of 24.0 CE credits for psychologists. The instructional level of this activity is introductory.

## Nurse Practitioner Continuing Education

Global Education Group is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. Provider number: 110121. This activity is approved for 24.0 contact hour(s). Pharmacology hours are available at <https://pain.sh/pwlv-schedule>.

### Physician Assistants

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 24.0 hours of Category 1 credit for completing this program.

### American Academy of Family Physicians Continuing Education

This Live activity, PAINWeek 2020, with a beginning date of 09/11/2020, has been reviewed and is acceptable for up to 24.00 Prescribed credit(s) by the American Academy of Family Physicians.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ACEND Physical Therapy

The PTH sessions have been approved for a total of 0.2 CEUs by ACEND.

ACEND has determined that the PAINWeek PTH course meets all the standards set forth in Section 1399.96 of the California Code of Regulations, and therefore will be accepted by the Physical Therapy Board of California as approved continuing education for all PT or PTA participants. Approved Provider Identification Number: ACE2044-01.

### Other Healthcare Professionals

Other professions may attend PAINWeek but credit may not be offered; please contact your respective professional bodies for AMA reciprocity. PAINWeek will also provide you with a certificate of participation.

*Please note that registration fees apply to this conference. Visit [painweek.org/pwlv-fee](http://painweek.org/pwlv-fee) for fee information.*

### Disclosure of Unlabeled Use

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. Global Education Group (Global) does not recommend the use of any agent outside of the labeled indications.

The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of any organization associated with this activity. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

### Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed in this activity should not be used by clinicians without evaluation of patient conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

### Disclosure of Conflicts of Interest

Global Education Group (Global) requires instructors, planners, managers and other individuals and their spouse/life partner who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are

thoroughly vetted by Global for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.

The faculty reported the following financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interests related to the content of this CME activity:

[virtual.painweek.org](http://virtual.painweek.org)

The planners and managers reported the following financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interests related to the content of this CME activity:

Name of Planner or Manager	Reported Financial Relationship
Ashley Marcostica, RN, MSN	Nothing to disclose
Kristen Delisi, NP	Nothing to disclose
Lindsay Borvansky	Nothing to disclose
Andrea Funk	Nothing to disclose
Liddy Knight	Nothing to disclose
Ashley Cann	Nothing to disclose
Kelvin Burton, MD	Nothing to disclose

### Evaluation and Application for Credit Form

You will also receive an email with instructions how to claim credit a week following the conference.

### Global Contact Information

For information about the accreditation of this program, please contact Global at 303-395-1782 or [cme@globaleducationgroup.com](mailto:cme@globaleducationgroup.com).
